

SATURDAY 10/10/15 FALL COLLECTION

Back by Popular Demand! Volunteers will receive your donations in the **St. Michael Catholic School** parking lot from **8am-1pm** (sorry, no early drop offs).

Items that are not directly sold or given to the poor are used to raise funds to support our programs and services. Your donation of clothing, furniture and household items are sold in St. Vincent's two thrift stores to help generate revenue for our programs and support our ability to serve the needy. Thank you for your generosity!

***Please separate religious articles from other donations** as they will be handled differently.
